## EMPLOYMENT

**ONBOARDING AGENT**  
**STARLING BANK**  
**2023 - Present**

I currently work as an Onboarding Agent at Starling Bank as a member of the Personal Current Account onboarding team. We process applications, review customer documentation, assess fraudulent activities and access & review credit data. This role requires a keen eye for detail, the ability to work efficiently and work well within a team. A large element of this role includes problem solving, as many applications can be unique and provide new challenges for the onboarding team, being able to problem solve, collaborate with colleagues, and seek out answers is paramount.

**THE WELSH AMBULANCE SERVICE TRUST**  
**EMS 999 CALL HANDLER**  
**2022 - 2023**

I previously worked at the Welsh Ambulance Service as a 999 EMS Call Taker. As the first point of contact, and the 'first' first responder in times of crisis for members of the public, I aided callers in providing support, signposting to available services, and organising emergency responses to loved ones and patients in need. In this role communication is paramount, and the ability to confidently manage calls professionally, using empathy and understanding for those in crisis situations. The role also included supporting those in their grief and arranging help for them and their families following the unthinkable.
